LANGUAGE LEVEL and LANGUAGE COURSE

Our courses are all given in Spanish or in Catalan. So, if you can not certificate a B2 level of Spanish or Catalan, you can apply but understanding that you take the **compromise to follow our Spanish or Catalan course** in an external centre (for free). **This course is mandatory for those students who do not have a B2 certificate or higher of Spanish or Catalan.** In this case, you must include the subject "Spanish Language Course" (3 ECTS) or "Catalan language course" (3 ECTS) in your Learning Agreement proposal.

If you have a good level in English and some basis in Spanish your application will still be taken into consideration.

On the other hand, if you do not have a B1 level of Spanish or Catalan, it is strongly recommended that you only choose **practical subjects and workshops**, not the theoretical ones.
