

## Go Abroad Scholarship Confirmation of Stay by Host University

*The participant mentioned below has been funded by a scholarship for short-term academic stays abroad (e.g. participation in summer schools, own research initiatives). This scholarship has been directly rewarded by Rosenheim Technical University of Applied Sciences to the funded persons. After their stay, the funding recipients need to provide proof of their participation and the actual duration of their stay in the programme by the organising host university abroad. Please support the student by completing this letter and returning it to him/her. Thank you for your cooperation!*
