

Information about the IT services at TH Rosenheim

Dashboard

→ dashboard.th-rosenheim.de

- Central platform with links to the Learning Campus, community, timetable, OSC and job market
- In “Announcements” important current information from the university, daily collected e-mail with links to contributions
- Log in with university access data (see the info letter from Student Administration)
- General electives and compulsory electives and FWPM

Learning-Campus

→ learning-campus.th-rosenheim.de/

This is where you log in for your lectures and the related materials.

- The first steps are under “Help”
- The Learning Campus’ dashboard as a personal overview page (a list of all the courses you are registered for)
- Register yourself for courses (search for courses by lecturer’s name or course title, for example) or lecturers have already registered you for courses themselves
- Ask the lecturers for registration keys (=password) to register yourself, if necessary

Timetable

→ splan.fh-rosenheim.de

- View timetables
- Configure your personal timetables
- Look for empty rooms

Online Service Center (OSC)

→ osc.th-rosenheim.de

- Registering for examinations
- Viewing grades
- Re-registering for the next semester
- Printing certificates of student status
- Changing your address

Intranet

→ www.th-rosenheim.de/intanet

Here you will find all information about the departments and facilities important to you of TH Rosenheim.

- The first steps are under „Computer centre“
- Information on the library's IT services under “Facilities/Library”

E-mail inbox

Note: this is an important form of communication!

- Your university e-mail address is in the letter from Student Administration under the log in details
- E-mails from the TH Rosenheim will always be sent to the TH e-mail address, not private ones!
- Access to your personal e-mail account is possible by browser, PC/laptop or smartphone

Campus app

- For Android or iOS
- Always get the latest information from the university
- News and Announcements
- Personal timetables
- Mensa plan
- **Attention:** Only available again in the stores in the course of October

Server drives

You have access to two central server drives:

- Drive S: university-wide server drive with public data; directory S:\USER: everyone can write on this, everyone can see everything!; directory S:\Muster: large exercise and template files for individual lectures
- Drive H: private server drive (300 MB), only you have access to this

Help / support

Under → th-rosenheim.de/die-hochschule/einrichtungen/rechenzentrum/ you find important information about support, e-mail, web conferencing, the university cloud, WiFi, VPN, software and much more.
