YOUR CHECKLIST

on applications for the Master's degree programme in Hydrogen Technology

Documents you should upload by 15 December/15 July at the latest:

- **Diploma or Bachelor's certificate from your first/undergraduate degree obtained in Germany** (If you have not received your certificate yet, you can present your confirmation of grades as proof that you have successfully completed your first degree). You may need to upload a German or English translation produced by an officially appointed translator. It is essential that this shows the overall examination result! If you have not finished your first degree by the application deadline, please observe the information on the **last** page of this information sheet.

- **„uni-assist“ preliminary review documentation if applicable** www.uni-assist.de/en/how-to-apply/ (this applies if your first/undergraduate degree was NOT obtained at a German educational institution)

If you did not obtain your higher education entrance qualification at a German institution, you will need a **valid VPD** (Vorprüfungsdokumentation) from **uni-assist**. Uni-assist is then going to review your documents if they match the admission requirements for German universities. Please make sure to apply for a **Master VPD** (for a master's degree programme)! You can apply at uni-assist all year round: Register with uni-assist. Upload your higher education entrance qualifications/school or university leaving certificates. Apply to TH Rosenheim with your valid VPD. Your VPD does not expire. Your VPD is valid for 1 year.

Does not apply to most Austrian and Swiss educational certificates. For details please visit:

www.th-rosenheim.de/studienbewerber.html

In case you obtained a master degree at a German educational institution VPD is not required

What do you do if you have not completed your first degree by the start of the semester?

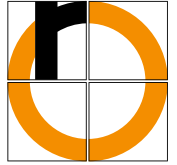

In this case, Student Administration will send you temporary guest access for all online services at Rosenheim Technical University of Applied Sciences. Please get in touch with Student Administration once your overall examination result has been announced to find out about enrolment.

Enrolment will need to be denied if the first degree has not been completed by the date of the first examination in the Master's degree. Completed means that the final overall examination result must have been submitted!

What do you do if you have a first degree with at least 180 but less than 210 credit points?

In order to pass the Master's examination, **proof** must be provided **of the missing credits**, or they must be caught up from the range of relevant courses at Rosenheim Technical University of Applied Sciences. The Examination Committee shall determine which study achievements and examinations need to be taken additionally in the degree programme. In some cases, relevant vocational or professional work periods may be credited to the missing ECTS credits. Proof of a **total of 300 ECTS** credits (inclusive first course of studies) is therefore required to successfully obtain your degree qualification. Applicants with fewer than 180 ECTS credits from their first degree cannot be admitted to the Masters' degree programme.
